MYSORE CITY MUNICIPALITY.

Notice, dated 26th August 1897.

Under Section 227 of the Municipal Regulations, 1871, the following draft Bye-laws proposed by the Municipal Commissioners for the City of Mysore are published for general information.

Any person found doing any of the undermentioned acts shall be liable to a fine not exceeding Rs. 10.

(1) Taking without permission of the President water for purposes other than domestic, from a public fountain, stand-pipe or tap or from any other work vested in the Municipality of Mysore.

(2) Bathing or washing any cloth, grass, animal or vehicle at a public fountain, stand-pipe or tap.

(3) Rubbing the taps with earth, sand or any other substance so as to cause damage.

C. MADIAH, *President.*

CHITALDRUG DIVISION.

The 18th September 1897.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Chitaldrug division, up to 15th October 1897, for restoring the Thippiankote tank, Challakere taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1899.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Chitaldrug between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. (200) two hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring the Thippiankote tank, Challakere taluk;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Eastern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
